En teden pred otvoritvenim koncertom festivala bo na Linhartovem trgu v Radovljici celodnevna prireditev s srednjeveško tržnico starih slovenskih obrti, dvigom festivalske zastave in živahnim kulturnim programom. Mesto Radovljica letos že petnajsto leto zapored sodeluje v mednarodnem turistično-kulturnem projektu *Venerina pot*. Njegov namen je ozivljanje spomina na pot, po kateri je v 13. stoletju potoval Ulrik Liechtensteinski, preoblečen v boginjo ljubezni Venero. Vitez je nekaj časa preživel tudi na gradu Kamen pri Begunjah.

*One week before the festival's opening concert, a whole-day event will take place at Linhart Square in Radovljica, presenting a market of traditional Slovenian crafts, the rising of the festival flag, and a series of different cultural events. For the 15th year in a row, the city of Radovljica is participating in an international tourism and cultural project named The Road of Venus, the purpose of which is to revive the route travelled in the 13th century by Ulrich von Liechtenstein, disguised as Venus, the goddess of love. The knight spent some time at Kamen Castle near Begunje.*

*Ballads and dances brought across the 17th-century seas*

Spored / Programme: John Dowland, Henry Purcell, John Playford,

Georg Friedrich Händel, Turlough O'Carolan

Na to glasbeno popotovanje bomo odpluli v družbi vesele posadke, ladijskega ansambla, goslačeve žene in belega dihurja, mimo srednjeveškega Guernseyja, renesančne Španije, elizabetinske Anglije in baročne Francije. Na kopnem bo naše korake vodil gospod Priest, da nas ne bo zapeljalo med sirene ali čarownice in da ne bomo naleteli na trčenega Simona ali španske Cigane. In gotovo bodo mornarji dobro veslali, vsak dan služili Bogu, ljubili bližnjega, pazili na svoje zaloge, ladjo varovali pred požarom in vam delali družbo.

*On this musical voyage, we will sail the seas in company of a Jovial Crew, including the ship's Noise, the Fiddler's Wife and a Ferret, passing by medieval Guernsey, renaissance Spain, Elizabethan England and baroque France. Ashore, Mr Priest will guide our steps, lest we be led astray amongst the sirens and Witches, or suffer an encounter with Mal Sims or the Spanish Jeepsies. And no doubt, the Mariners will row well, serve God daily, love one another, preserve their victuals, beware of fire, and keep you good company.*

*A presentation of music by Mahler and his contemporaries played by composers themselves on a Welte-Mignon reproducing piano*

Ko je bilo snemanje in predvajanje glasbe še v povojuh, je nemško podjetje M. Welte & Söhne patentiralo postopek, s katerim je bilo mogoče posneti vse nianse pianistove igre na perforirane zvitke papirja in glasbo reproducirati na ustreznem klavirju. Mehanizem so vgrajevali v klavirje izdelovalcev, kot sta Steinway in Bechstein, in do začetka prve svetovne vojne so slavnici pianisti in skladatelji, kot so Grieg, Skrjabin, Debussy in Mahler, na njem posneli približno 2500 skladb. Vodilni strokovnjak na tem področju Hans-W. Schmitz nam bo predstavil nekatere izmed najbolj zanimivih interpretacij.

*At a time when recording and reproduction of music were still in their infancy the German firm of M. Welte & Söhne pioneered a procedure which could record and reproduce all the subtleties of a pianist's performance by means of perforated rolls of paper. The mechanism was built into pianos by makers such as Steinway and Bechstein. Until World War I about 2500 titles were recorded by famous pianists and composers such as Grieg, Scriabin, Debussy and Mahler. A leading expert in the field, Hans-W. Schmitz will enable us to experience some of these fascinating documents.*

## BENJAMIN BAGBY

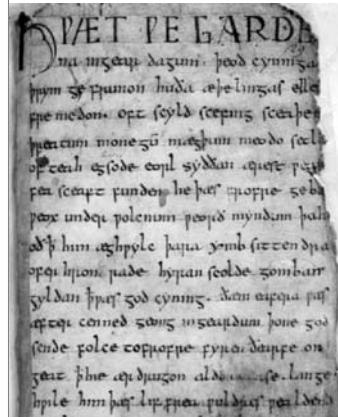

Francija / France

**Benjamin Bagby** glas, anglosaška harfa / voice, Anglo-Saxon harp

»Beowulf«

Izvedba anglosaškega epa / The Anglo-Saxon epic in performance

S slovenskimi nadnapiji in uvodnim predavanjem prevajalca  
Marjana Strojana / With Slovenian titles and an introduction  
by translator Marjan Strojan

Anglosaška junaška epska pesnitev, ki jo danes poznamo pod imenom *Beowulf*, se je ohranila v zapisu iz zgodnjega 11. stoletja, a je izvirala iz bardske umetnosti pripovedovanja in recitiranja, ki je bila nepogrešljiva za plemensko družbo v zgodnjesrednjeveški Angliji.

Benjamin Bagby združuje v svoji legendarni predstavi gledališče in glasbo. Zgodbo o kralju Hrothgarju, pošastnem Grendlu in junaku Beowulfu pripoveduje v izvirni anglosaščini (s slovenskimi nadnapisi). Pri tem uporablja celotni obseg svojega glasu in se spremlja na šeststrunski harfi.

*The Anglo-Saxon epic poem known as Beowulf survives in a single manuscript dating from the early 11th century. The story has its roots in the art of the bardic story-teller and reciter, whose services were essential to the fabric of tribal society in early medieval England. In his legendary performance, Benjamin Bagby combines theatre and music, performing the classic tale of King Hrothgar, the monster Grendel, and the hero Beowulf in the original Anglo-Saxon (with Slovenian surtitles), using the entire range of his voice and accompanying himself on a six-stringed harp.*
